DISPATCH NO. OSSA-6072

TO Chief, WE

DATE 7 Jun 1957

FROM ☐

INFO: Chief, Sh
CSD, Munich

SUBJECT (GENERAL OPERA HOUSE, BUCHAREST, ROMANIA
(SPECIFIC Information on Raoul WALLENBERG)

REF: OSSW-827, 21 May 1957

ACTION REQUIRED: as indicated in Paragraph 2, below

1. The information in reference dispatch concerning the identification of Raoul WALLENBERG in Voruta by a recent German returnee is being passed to TIEBART today, and obviously he will be keenly interested to obtain any further information which can be provided by Munich.

2. The source description in paragraph 2 of reference dispatch is puzzling in its implication that the source served with the German Embassy in Bucharest, Rumania, during the immediate post-war period when Germany as an occupied country had no diplomatic representation abroad. This implication is conveyed by the statement that the source was arrested by the Soviets after he arrived in Rumania and was sentenced by the Soviets in 1947. The period of his actual service with the German Embassy in Bucharest is not indicated and may well have occurred during the war years, but clarification of this point would render the initial report much greater value. I would therefore welcome such clarification as well as any additional information that Munich may be able to forward.
